January – February 2020

The conference is organized by

The International Master Courses in Protection Against CBRNe events asserted themselves in a strong way obtaining the status of "NATO Selected" directly from the HQ in Norfolk (Virginia, USA). Also, they are included in the NATO Education and Training Opportunities Catalogue (ETOC), and they entered into cooperation agreement with the Organization for the Prohibition of Chemical Weapons (OPCW), the NATO Joint Centre Of Excellence (Czech Republic), the NATO SCHOOL of Oberammergau (Germany)

The International Master Courses in Protection against CBRNe events have cooperations with

2nd Scientific International Conference on CBRNe SICC Series 2020

OUR VISION	OUR GOAL	SCIENCE & CBRNe
Spreading education beyond its boundaries: turn CBRNe into an academic discipline.	Create a synergic global community of CBRNe experts.	Enhancing CBRNe Safety & Security multi-disciplinary scientific research.
